It's all your fault.
It's all!
because of you!

that everyone is unhappy...

Always be on the lookout when you are facing him.

Everything will be alright.

Your existence itself is a threat to others.

Let me help.

Whom are you speaking with right now?

Nice to meet you!

It's your fault

You made me die.

I despise you.

Pant Pant

Poor friend.

Shhh

You always just leave yourself in pain.

Nal-Nal

You will just never be able to get yourself out of that pain

Because,

Sneaks

you are a coward.
